STAKHANOVITES SPONSOR RODER MOVEMENT

Stakhanovites are, in ever-growing number, following the example of Bela Roder, Stakhanovite lathe operator of the Matyas Rakosi Works, by instructing their less skilled co-workers in fulfilling the work norms.

Recently, 51 Stakhanovites of the motorcycle shop of the Matyas Rakosi Works pledged to sponsor the Roder movement. Each Stakhanovite pledged to teach two or three fellow workers who are lagging behind their norms.

In general, the Stakhanovites who join the Roder movement promise not only to teach their fellow workers how to work more efficiently, but also guarantee that slow workers will attain and even exceed their daily norms.
